Teachers guide to resources

- The learning outcomes for this area come from ACARA Information and Communication Technology Capabilities Learning Continuum – a very useful document.
- https://www.australiancurriculum.edu.au/media/1074/general-capabilities-information-and-communication-ict-capability-learning-continuum.pdf

https://www.youtube.com/watch?v=AeVqu73a89A This is a useful video from ACARA that describes the importance of developing these digital skills

1.Digital life – what does it mean video

https://www.youtube.com/watch?time_continue=1&v=e2QpzIAPXXA&feature=emb_logo

- This provides an overview for students about the world they live in – bringing a consciousness to their digital world. It is important for students to understand the responsibilities they have when they use and share information on the internet.
- The paragraph with a link to legal and ethical reminds students about their responsibilities as a digital citizen. It might be useful to have a discussion of what this involves - ask students for a definition of 'ethical' and 'legal' and how it relates to their lives after they read the link.
- This is the link to legal and ethical issues around using digital technology

https://www.digitaltechnologieshub.edu.au/teachers/topics/digital-citizenship

3. what does copyright mean and why does it matter link to copyright meaning

https://www.smartcopying.edu.au/copyright-guidelines/copyright---a-general-overview/1-1-what-is-copyright-

- Smartcopying is a very useful site and has information specifically designed for schools.

Using information from internet

- Video explains the issue of plagiarism and emphasises the importance of building skills of paraphrasing and referencing.
- Students often struggle with paraphrasing. Here are some links for more practice.
  - https://www.edutopia.org/article/teaching-students-paraphrase
  - https://minds-in-bloom.com/teaching-kids-to-paraphrase-step-by-step/
- The three images of paraphrasing, referencing and creative commons provide links to videos with more information, descriptions and suggestions for skill building.
